Brake Cleaner

Premium Brake Cleaner is a hydrocarbon based solvent that effectively cleans away oil, dirt, grease & dust from parts & is less toxic compared to other hexane based formulations

Premium Brake Cleaner contains high quality solvents to ensure fast evaporation of the product thereby leaving no residue on the surface being cleaned

- Contains a non-chlorinated hydrocarbon solvent
- Less toxic compared to other hexane based formulations
- Superior in performance compared to hexane formulations
- Contains high flash point solvents ensuring fast evaporation
- Versatile solvent cleaner that effectively cleans away oil, dirt, grease & dust from surfaces
- Leaves no residue on the surface after cleaning
- Economical, efficient & ideal to use for cleaning before painting

Dry & Pry Penetrant

Premium Dry & Pry Penetrant is specifically designed to help with assisting to dismantle rusted and corroded parts as well as help provide temporary anti rust protection

Premium Dry & Pry Penetrant can be used as a general purpose lubricant due to its quality chemical formulation making it a true multi use product for many applications

- Quickly loosens rusted & corroded nuts, bolts & other parts
- Stops squeaks & noises
- Lubricates rollers, hinges & slides
- Displaces moisture to help start wet motors
- Provides temporary anti-rust protection
- Helps provide general lubrication to any moving part

HD Spray Grease

Premium HD Spray Grease is a synthetic lubricant designed to provide excellent characteristics of lubrication, penetration and protection of all types of different metal surfaces

Premium HD Spray Grease contains a high quality blend of synthetic components to ensure the product functions in extremes of heat & cold

- Commonly used for any type of chain driven system
- Heavy Duty adhesive based multi purpose lubricant
- Extreme resistance to water washout
- Lubricates and quietens open gears & chain drives
- Does not dry out and is resistant to chemical attack

Multi Purpose Degreaser

Premium Multipurpose Degreaser is a mineral based product that effectively dissolves oil, dirt, grease, dust & other contaminants from many different types of parts

Premium Multipurpose Degreaser contains high quality solvents to ensure that less product is required to carry out the job compared to cheaper alternatives

- Specifically designed for engines & other associated parts
- Easy and safe to use for many applications
- Spray on and hose off with water

Silicone Lubricant Spray

Premium Silicone Lubricant Spray has been designed to help prolong the life of rubber parts & slow down the deterioration process seen in automotive applications

Premium Silicone Lubricant Spray can also be used as a general purpose lubricant that waterproofs, protects, and also stops squeaking & sticking of parts whilst providing a protective layer of lubrication to the surface

- Prevents different types of surfaces sticking together
- Helps to lubricate non-metallic materials
- Will not mark or stain surfaces due to drying clear
- Ideal for sliding doors, windows or any general lubrication
- Excellent at repelling water & also penetrating

Throttle Body Cleaner

Premium Throttle Body Cleaner is a heavy duty, non chlorinated cleaner designed specifically for cleaning gums & varnishes found on throttle bodies & carburetors

Premium Throttle Body Cleaner helps restore engine performance, by quickly removing deposits to restore engine efficiency without the need to dismantle

- Effectively cleans away gums & varnishes
- Lubricates air intake components to help reduce future contamination formation
- Restores fuel economy & performance
- Helps correct rough idling & stalling
